

Living Out Your Faith

A 2-part study of our call to “make disciples of all nations”. The course is structured to understand our **calling in Scripture** to not only come to **KNOW** Jesus, **GROW** in our understanding of Jesus, and **SERVE** others for Jesus, but to take what we know and **GO** into the world sharing who Jesus is to you with others. The material will *equip* you, *encourage* you and *empower* you to engage your world for Jesus.
